Sisters and Brothers,

Understanding the UAW Constitution and your Local Union Bylaws is essential to building strong, democratic, and effective Local Unions. To support your leadership teams, Region 2B is offering specialized training focused on the structure, authority, and application of the UAW Constitution and Local Union Bylaws.

This training is highly recommended for all Local Union Executive Board members as well as members of your Constitution and Bylaws Committees. Participants will gain a deeper understanding of how our governing documents guide day-to-day operations, internal elections, membership rights, and the overall functioning of our union.

You will have the option to register delegates for one of two training opportunities:

<u>Day</u>	<u>Location</u>	<u>Time</u>
