RULES AND REGULATIONS

1. **Eligibility**
   Bowlers must be active or retired UAW Region 2B members, or spouses of members. Honorary withdrawal members are not eligible.

2. **Averages and handicap**
   Use the bowler's highest USBC-certified league average from the 2025–2026 season. Minimum handicap averages are 140 for men and 120 for women. A bowler without an established average may enter at 200 for men or 165 for women.

3. **Current averages**
   When a prior-season average is used, a current average for at least 21 games must be used if it is 15 or more pins higher at the time of bowling. If the bowler has no 2025–2026 average, use the highest current average for at least 21 games as of January 1, 2027.

4. **Average verification and corrections**
   A prize-eligible bowler must verify the submitted average, whether it was provided by the bowler, captain, or another person. If the submitted average is lower than the correct average and creates additional handicap, the score will be disqualified. If the submitted average is higher, winnings will be based on the submitted average. Corrections are permitted through completion of the first game of the series. Winners must provide acceptable proof of average before payment.

5. **Prior tournament winnings and rerating**
   A bowler who won $600 or more in any tournament event during the preceding 12 months must report the actual score, finishing position, and amount won at least 10 days before the scheduled bowling date for possible rerating. Reporting an improperly low average or failing to disclose qualifying winnings will result in forfeiture of entry fees and prize winnings. USBC Rule 319d applies to all participants.

6. **Substitutions and lineup**
   A substitute's name and verified average must be provided with the team entry. No more than two substitutions are permitted, and corrections must be made at least one hour before the scheduled start. The original bowling order may not otherwise be changed. A bowler may compete only once in each event. The Tournament Committee reserves the right to refuse an entry.

7. **Registration, payment, and refunds**
   Completed LUIS registrations and paper entry forms must be received by November 23, 2026. Fees may be paid through LUIS or by check or money order payable to UAW Region 2B. Local Unions may choose to pay on behalf of their bowlers but are not required to pay registration fees or other tournament expenses. Cash will not be accepted. No refunds will be issued after the deadline. Inclement-weather refunds will be issued only if the bowling center cancels the tournament.

8. **Prizes and divisions**
   The prize ratio will be at least one prize for every 10 entries or major fraction thereof. All Events returns are governed by USBC Rule 307. Open and Women divisions will have separate prize lists.

9. **International qualification**
   The Regional Tournament is a qualifying event for the UAW International Finals Bowling Championship, and the affiliation fee will be paid from Regional entry fees. Because the International divisions differ from Region 2B's divisions, qualification will be determined under the International Tournament criteria. Local Unions and the Region are not required to pay qualifying teams' expenses to attend the International Finals.

10. **Lanes, check-in, and scheduling**
    Teams and singles bowlers will remain on their assigned lanes for all three games. Bowlers should check in at least one hour before their scheduled start. Preferred dates and squad times will be accommodated when possible, but scheduling is subject to lane availability.

11. **USBC participation**
    USBC members and nonmembers may participate in this Moral Support-certified tournament. USBC award recognition is automatically available to members. Eligible nonmembers may obtain award recognition by paying the applicable fee; the appropriate Congress will issue an unattached membership card.

12. **Conduct**
    Any bowler or team whose conduct is unruly, intolerable, or offensive, as determined by the Tournament Coordinator, will be disqualified, and the bowler's team will be suspended from the tournament.
