Call to the 50th APRI Annual National Education Conference

Dear Brothers and Sisters:

We are looking forward to a very exciting and energizing National Education Conference--

THIS YEAR WE WILL OBSERVE THE 50TH ANNIVERSARY OF THE CONFERENCE!

At the 25th Annual National Conference, APRI president-emeritus Norman Hill stated that the founders "...recognized that the freedom struggle... would no longer be just through demonstrations...but to engage in political action to secure economic justice through a fundamental redistribution of wealth in America."

As you know, APRI activists and our allies have been essential to education, organizing and moving political and legislative victories since 1965. More importantly, we are stronger today-- in our relationships with each other *AND* our allies as we overcome barriers to worker unity. Our 50th Anniversary Conference will be dedicated to reinforcing the training and political action needed to organize and mobilize our communities to expand upon the work accomplished in 2018.

When we work together, there is no challenge that is too great for us. When we exhibit our courage, our strength and our unity, we grow the ranks of those committed to advancing as one fight, the causes of social and economic justice.

The 50th APRI Annual National Education Conference will convene August 7-11, 2019 on the grand site of the Radisson Blu Mall of America Hotel in Bloomington, Minnesota. We have negotiated an amazing rate of \$129.00 per night (single or double)—the rate is good for 3 days prior and/or after the Conference. **Secure your hotel accommodations NOW by calling the hotel at : 1-800-333-3333 (identify yourself as a participant in the APRI National Education Conference) or by logging onto the hotel link:**
