Call to the 49th APRI Annual National Education Conference
"Staying Woke... AND Fighting Back"

Dear Brothers and Sisters:

We are looking forward to a very exciting and energizing 49th Annual National Education Conference.

As you know, APRI activists and our allies have been fundamental and essential to education, organizing and moving political and legislative victories. More importantly, we are stronger in our relationships with each other as we overcome barriers to worker unity.

So, in this context, we are moved to reenergize and rededicate ourselves to battle and halt the downturn of the economy, the assault on workers and the encroachment on civil and human rights. With increased education, measurable programs, strong community partnerships and organization development, ***We will Stay Woke AND Fight Back!***

The 49th APRI Annual National Education Conference will convene August 8-12th, 2018 at the luxurious site of the Pointe Hilton Squaw Peak Resort in beautiful Phoenix, Arizona. We have negotiated an amazing rate of \$99.00 per night (single or double). We are also negotiating a special discount for the larger villas (1 and 2 bedroom casitas)-- limited availability. The link and 800 number to make your hotel reservations will be available in the next mailing.

For your convenience, we have attached the Conference Registration Form and a Tentative Conference Agenda to help in planning your travel. **Additional information, including agenda updates will be available on the APRI website: www.apri.org and the APRI Facebook Page: [A Philip Randolph Institute](#) so log on and be informed!** Register Early! ***YOU DO NOT WANT TO MISS THIS CONFERENCE!***

In Unity,

Clayola Brown, National President
