

The screenshot displays the 'couplink' web application interface. At the top left, the 'couplink' logo is visible. To its right, a dark header bar contains the user's name 'EMILY SUMMERS' next to a small downward arrow icon, indicating a dropdown menu. This menu is currently open, showing a list of options: 'Personal Information', 'Contact Information', 'Demographic Information', 'Security Settings', 'Workone Location', 'Payment Election', and a 'Logoff' option at the bottom with a small icon. A red rectangular box highlights the user name and the open dropdown menu. A red curved arrow points from a yellow text box below to the 'Personal Information' option in the dropdown. The background of the interface shows a light blue header with the word 'Claimant' partially visible, and a main content area with buttons for 'Correspondence History' and 'PAYMENTS'. Below these, a table header is visible with columns: 'Voucher Status', 'Benefit Week', 'File Date', 'Payment Date', 'Claimant Pay', 'Entitlement', and 'Paid'.
