OFFICIAL CALL TO THE
UAW Region 2B Effective Educator Training
November 15, 2022

To: All Local Union Presidents, Financial and Recording Secretaries in Region 2B, UAW

Dear Sisters and Brothers:

Education is a key element to building strength and solidarity amongst members. As you may know, Article 44 of our UAW Constitution lists ten standing committees that shall be established at every local union, including Education Committees. The intention of this training is to assist locals in establishing Education Committees, as well as to empower existing committees by building their skillset.

This workshop helps members develop the personal skills and confidence to be effective facilitators, understand the various ways adults learn, how to properly use visual aids and media when facilitating and become better listeners in the classroom. Upon completion of this workshop, members are given access to curriculum developed by the UAW Education Department to share with their local union.

Education committee members who successfully complete the workshop “Effective Educator Training” will have access to a selection of Education Department curriculum which can be taught at the local union. More information is available from your regional Education representative. These workshops include:

- It Starts with Me
- UAW 101/New Member Orientation
- UAW Core Values
- Lessons from Labor History
- Understanding Bargaining
- Understanding Grievances
- Understanding Strikes
- Union Meetings and Me
